Executive Committee Adopts Subcommittee Goals

The Lemon Grove Planning Association Executive Committee met last Thursday evening and adopted the remaining goals from the residential and environmental impact subcommittees.

With goals formulated and adopted from each subcommittee, the next step for the planning association is approval of the goals by the general membership. A general membership meeting was set for June 22 for that purpose.

The next meeting of the executive committee will be this afternoon at 3 p.m. in the auditorium at Lemon Grove Junior High School. Discussion of goals and orientation on Phase IV are scheduled.

Phase IV in the progress of the association will be the preliminary plans and designs for the community plan. Phase I was the preliminary and organizational stage, Phase II was the mapping and study of existing situations, and Phase III was the formulation of goals.

Phase III will be completed with the approval of goals by the general membership, but groundwork for Phase IV will begin this week.

Work completed at last week's special meeting was the completion of goals of the residential subcommittee and adoption of the goals of the environmental subcommittee. At a regularly scheduled meeting two weeks ago, the environmental goals were considered, but only about half of them were adopted.

Environmental Impact

Highlighting the goals of the environmental impact subcommittee were the preservation of the environmental quality, limiting construction in flood areas, protection of sanitary conditions of ground water, encouraging the establishment of recycling centers, and establishment and enforcement of sign and billboard ordinances.

Other environmental impact goals include the promotion of vegetation in industrial areas, establishing a tree bank for the area, providing plants for highway rights of way, ecology promotion in schools, controling sources of noise and smells, weed and rubbish control programs, and establishing a county service area for Broadway landscaping and other highway situations.

Residential Goals

Highlighting the residential goals were the use of land within one eighth of a mile of freeways for multiple dwelling units when possible, the limitation of 20% of the population in multiple units, and the limitation of the population of the area to 30,000.

Other goals include the limitation of grading cuts and fills, balancing density of dwelling units, establishing an architectural control committee, preventing activities in residential areas that are incombatible with the area, and preventing the formation of "islands" of vacant land, which have no reasonable access for development.

Another goal of note was the 3% of the population limit put on mobile home parks, which also called for standards for trailer parks.

School and Education

Schools and education goals include planning schools near the geographic centers of population developments when possible, acquiring sites for schools as early as possible, encouraging community-wide use of school facilities,

Express Buses Serve Riders LG-SV to City

Residents of Lemon Grove and Spring Valley are getting their first taste of Express busing to downtown San Diego and have discovered they've gained almost twenty minutes in travel time on each trip.

The Express Bus serving Southeast San Diego/Lemon Grove and Spring Valley — Express 11 — is the first of the two new route services. The other route is from Clairemont.

Express 11 begins at Jamacha rd. and Cardiff st. in Lomita Village and makes passenger stops at all regular scheduled local bus stops along the way, intersecting with connecting bus routes 4, 5, 11, B and F, all the way to Highway 94 where it proceeds on the Freeway to F street. The Express Bus turns right on 16th, left on Broadway to Kettner, before turning around for the return trip.

During peak periods in the mornings and evenings there will be Express Bus service every 15 minutes, in addition to the regular local bus service. Fares on both are identical. Express Buss service has a 12-hour-a-day schedule, from 6:15 a.m. to 6:30 p.m., Mondays through Fridays, with service both ways.

Express Bus stops are designated with special blue-and-orange Express Bus Stop signs affixed to the regular blue-and-white local Bus Stop signs. Complete time and schedule information may be obtained by calling 239-8161.

Youth Admits Guilt In Local Rape Case

SAN DIEGO (CNA) — An 18-year-old Spring Valley auto mechanic, who had pleaded guilty to statutory rape of a La Mesa high school student, was put on two years' probation in Superior Court and fined $150.

Darrell Mitchell Sullivan, of 827 Hiel st., was charged with forcible rape and kidnapping on Oct. 22 of the 17-year-old girl. He pleaded guilty to statutory rape and the other charges were dismissed.

A co-defendant, Joseph Dudely Donnie, of Lemon Grove, is still being sought by sheriff's deputies.

According to a probation report the two youths picked up their victim in Lemon Grove and, drove to the Jamul area. The girl told sheriff's deputies that they threatened to burn down her house if she reported the attacks. Deputies reported they found in the car material from the clothing worn by the victim.

'Las Vegas Escape' Planned For May 5-7

The Italian Catholic Federation of Lemon Grove No. 251 will sponsor an "Escape to Las Vegas" May 5-7 at the Castaways.

The $50 cost per person covers transportation, accommodations, buffet lunch, and cocktails, according to chairman Mrs. Mary Alesi.

The public is invited, she said. She may be reached for reservations at 469-4452, as can Mrs. Margaret Ward, at 463-0747. Buses will leave College Grove at 4 p.m. Friday.

Demonstrators' Rights Growing?

The mechanics of demonstration were revealed Sunday at which members of the San Diego Convention Coalition and the Community Congress August Project discussed—more or less frankly—what they had planned for the GOP Convention which was at that moment vaporizing.

"We feel that we are partly responsible in forcing the Convention to go to Miami," said Pam Williams, who with Roger Barkley, were representing the Coalition.

Doug Birrell, of the Community Congress, who estimated that a quarter of a million demonstrators would attend the San Diego convention, said his group was involved in providing facilities for the demonstrators. "We are presently lacking in medical and child care; legal funding, housing, feeding and community outreach to the thousands scheduled to come here from all over the world," he said.

What the groups are attempting, it was revealed, is to "show President Nixon that many people are opposed to his policies." These, they said, are policies on the Vietnamese war, pollution, and human rights.

The trio, none over 25 years of age, made their points with some emotionalism. Some of their theories fell apart during the question section of the presentation.

Carefully avoiding the phrase "Constitutional Rights" they denied that their demonstrations would deprive Republican Party members of a right to convene peaceably at the Sports Arena.

They denied that students at State College where a demonstration was held a few days previously, were denied their rights to pursue their studies without interruption. "They should have given them (the demonstrators) time to present their case," said one.

That some of the demonstrators would be hippies would create no problem, they said but there was admittedly no solution to the handling of those who were drug addicts or those with criminal records.

They admitted that they had no plans for demonstrating regarding West Germany, the Polish, the Czechoslav, the Egypt-Israeli or the Catholic-Irish problems.

They noted that the thrust of their action was to make "brothers and sisters" of all the people but insisted that the Coalition and the Congress, and other activist groups had a right and responsibility to show that present policies are wrong.

Nothing was said about the lawful and moral processes by which everyone's freedoms were protected nor of those groups which have given time, funds and even their lives so that lawful forums could be used to bring about change.

What a mess it would be in changes could be caused only by demonstrations.

Interestingly enough, speakers kept referring to the need for "educating." One of the groups admitted having 75 full-time organizers on a seven day schedule setting up demonstrations.

And "education" once indicated a desire to learn how to live in an orderly community in the pursuit of peaceful objectives. Now the meaning has been bastardized.

There was one hopeful sign. Speakers were in agreement that few would demonstrate if the Convention was held in Miami. They said distance and climate would make them less demonstrative, this, in spite of their declaration that demonstrators would come from the world. What they must have meant is that the law in Georgia, Alabama and Florida does not have that warm, benevolent attitude regarding freaks as does the law in California.

Harold Keen, Tv channel 8 commentator, was moderator.

Sigma Delta Chi, the professional journalism society, was sponsor of the meeting.

Trustees Opposed To Unification Proposal

As the fiscal year draws to a close, the Lemon Grove School District Board of Trustees must attend to financial business in preparation for the upcoming school year.

At a meeting of the board Monday night, trustees approved the sale of an obsolete tape recorder, awarded supply bids, heard a report on the district's gifted student program, and accepted preliminary plans for a projosed warehouse project.

Additionally, the board took a stand on the upcoming unification election, indicating opposition to the three-district proposal. The proposal, if passed by the voters in June, would put the local district into a larger district with the La Mesa-Spring Valley District, serving students through high school.

Trustees also opposed the last unification proposal several years ago. It was also announced at the meeting that a public hearing on the election will be held May 18 at Grossmont High School.

Taking up a good portion of the meeting was a presentation by Mrs. Olga Mote, the district's instructor in the gifted student program. Mrs. Mote explained to trustees how students were selected for the program, as well as what activities they experience. She also showed those in attendance some of the work done by her students.

School Officials Answer Questions On Unification

The following article is the second in a series of columns of questions and answers on the June 6 Grossmont Union High School District unification election.

The questions and answers were compiled by county school administration personnel and superintendent of local school districts and are presented as a service to readers who wish to be informed.

Realizing that all questions on unification may not be answered, arrangements have been made to afford readers the opportunity to send in questions of their own, which will be answered by local school district personnel. Questions may be sent to this newspaper, P.O. Box 127, Lemon Grove, 92045.

1) Who will prepare arguments for and against the Unification Plan?

The Registrar of Voters will mail to every registered voter at least ten days prior to the June 6, 1972 unification election the following printed material:

A statement for the Unification Plan written by a person designated by the President of the County Board.

A statement against the Unification Plan written by a person designated by the County Superintendent.

A copy of the Unification Plan

A statement of financial facts and figures pertaining to the three proposed unified school districts.

2) Is this the last unification election?

The unification election of June 6, 1972 is the last mandated election. If the unification plan is not approved by a majority of all voters in the Grossmont area on June 6, 1972, the same or a different plan may be presented to the voters at a later date if requested by the governing boards of a majority of the school districts in the Grossmont area or the governing boards that represent the majority of all the K-12 enrollment in the Grossmont area.

3) What are the requirements for public hearings to be held prior to the unification election?

A public hearing will be held at least 10 days before the election. A member of the San Diego County Board of Education will conduct the hearing. The public hearing will be May 18, 8 p.m. in the Grossmont High School Auditorium.

4) What will the maximum voted operating tax rates be for each of the three districts and how is it computed?

The maximum rate for each of the unified districts will be: "West" $6.766 including a $4.78 areawide tax. "South" $6.560 including a $4.78 areawide tax. "North" $7.007 including a $4.78 areawide tax.

The unification plan provides for a maximum voted operating tax rate for each proposed unified school district, computed according to a formula specified in the Education Code Section 3255 which includes: (a) the present maximum voted operating tax rates of the districts included in each unified school district and (b) a comparison of the average salaries paid teachers and classified employees between the elementary district or districts and the union high school district.

The formula was designed to provide the new unified school district with an ade-

Learn Spanish the Easy Way

Hardison's Telespanish

By JAMES HARDISON

"Deportes" are a favorite pastime in Spanish-speaking areas. Actually, many of the names used to describe sports look and sound like the English equivalent. There is "tenes," pronounced "TEH-nehs" for "tennis." "Golf" and "Polo" are written the same in Spanish as in English. Pronunciation is almost the same except that "golf" sounds more like "GOHLF."

"Tenista," pronounced "teh-NEES-tah," is the word used to describe a "tennis player." For example, we might say "Es un buen tenista." (He is a good tennis player.) and "Es usted tenista?" (Are you a tennis player?).

"Beis bol" is a phonetic take-off from the English equivalent, "baseball." Some of the youth in Spanish-speaking areas have taken the English words associated with this game and constructed Spanish versions for them. For example, they have converted "pitch" to "pitcha." They might be heard saying "El pitcha muy bien." (He pitches very well.). The noun form, "pitcher," has the same spelling in Spanish and English. However, it sounds more like "PEE-chehr" when said in Spanish. More formal use requires that "lanzador" be used for "pitcher."

"Bate," pronounced "BAH-teh," is the acceptable translation for "bat." This might be used in phrases like "El no tiene un bate." (He does not have a bat.) and "Estos bates son muy largos." (These bats are very long.). A verb form of this word is seen in "No puedo batear muy bien." (I can not bat very well.).

"Bolos," in Spain, and "Boliche" in this continent is the way to say "bowling." Thus, we may hear "Jugamos boliche." (Let us bowl.). Another comment might be "Me gusta boliche." (I like bowling.).

Practice phrases listed below are for your learning pleasure. You may wish to say them with the guidance of a recorded voice that says them for you when you dial 276-2762.

IMPORTANT PHRASES:

Say "Le gustan los deportes?" (leh GOOS-tahn lohs deh-POHR-tehs)
for "Do you like sports?"
Say "Mi favorito es tenis." (me fah-vohr-REE-toh ehs TEH-nehs)
for "My favorite is tennis."
Say "Es usted tenista?" (ehs oo-STEHD teh-NEES-tah)
for "Are you a tennis player?"
Say "Juego un poco." (who-EH-goh oon POH-koh)
for "I play a little."
Say "Avientame la pelota." (ah-vee-EHN-tah-meh lah peh-LOH-tah)
for "Throw me the ball."
Say "Aca viene." (ah-KAH vee-EH-neh)
for "Here it comes."

Letters to the Editor

Dear Editor:

The entire nation is concerned with the high cost of hospital care today. Yet, a bill passed by the California Legislature in 1968 has been a major factor in contributing to these costs!

Medications administered to hospital patients comprise a large portion of the patient's total bill.

Consider the effects of AB 971, authored by Assemblyman Robert Crown (D., Alameda): It prohibits pharamaceutical manufacturers who wish their products to be included on the Medi-Cal approved list from offering such products at discount prices to volume purchasers.

The great majority of volume purchasers are — you guessed it — hospitals.

Prior to this law, hospital pharmacies were able to purchase in quantity at reduced costs, and pass such savings on to the public. For example, a product previously purchased by our Pharmacy Department for $4.80 per case now costs us $28.80 per case — an increase of 600 percent! No patient pays at the City of Hope Medical Center, of course, but AB971 does increase the burden for the thousands of contributors who support our free and nonsectarian patient care programs.

How the Crown Bill affects all other hospitals in California is obvious. It should be repealed or amended, and the sooner the better.

Dr. Allan J. Swartz
Director of Pharmacy
City of Hope Medical Center, Duarte, Calif.

Dear Editor:

According to THE WALL STREET JOURNAL of March 21, 1972 (and this is hard to believe), the Congress is considering enacting a bill to give the International Monetary Fund a special appropriation of approximately $525 million to make up for the dollar's approximate 8% cut in value. In addition, the World Bank (which has taken over Foreign Aid since it is now in disrepute) wants $1 billion to make up for the approximate 8% cut in the dollar's international value. This can only add to your taxes and fan inflation, since this money must be borrowed.

Following this stupid sort of reasoning, all appropriations, such as H.E.W., etc., should be raised 8% — everybody's taxes should be raised 8% — prices for everything and wages for everybody should be raised 8%.

If you don't scream to your Congressman, he is just apt to be carried away, as usual, and vote for this inane absurdity.

Sincerely,
C. C. Moseley,
President

"Remove this evil cancer—this wicked person—from among you, so that you can stay pure. Christ, God's Lamb, has been slain for us. So let us feast on him and grow strong in the Christian life, leaving entirely behind us the cancerous old life with all its hatreds and wickedness. Let us feast instead upon the pure bread of honor and sincereity and truth."

Family Service Seeks Enlarged Membership

A campaign to enlist members for the Foothills Family Service Association has been opened here, according to Nat Eggert, chairman of the month-long event.

The local area campaign coincides with the countywide membership effort by all affiliates of the Family Service Association of San Diego County.

In 1971 Foothills Family Service provided counseling and other specialized family services to more than 4,670 children and adults in Lemon Grove, Spring Valley, Casa de Oro, Jamul, La Mesa and El Cajon.

Clinical social work services are provided to all age, income, racial and religious groups. Included are: family and individual therapy; crisis intervention; group therapy for adults, adolescents, and entire families; outreach and advocacy services to improve social conditions; and family life education.

"All funds derived through membership, 100% of every dollar contributed to Family Service by Foothills residents stays in the area," Eggert said.

STUDENT CREATIONS — Mt. Vernon Elementary School instructors Charlotte Branchaud, left, and Gaynel Rader are assisted by Philip Castelline in displaying the student-designed clothing which teachers will wear at an open house this evening.

San Miguel Students To Attend Camp

Sixth graders from San Miguel Elementary School in Lemon Grove will join students from all over the county in the San Diego County Camp Commission's outdoor classroom program.

The local youngsters will be attending Palomar Mountain Camp the week of June 5. Other students in the county will also attend Palomar, as well as two other school camps, Camp Cuyamaca and Camp Marston.

Since 1946, more than 300,000 sixth-grade pupils have spent a week taking field hikes, desert trips, and forest walks in the friendly, relaxed atmosphere of the outdoors.

The camping program, jointly funded by the City and County of San Diego and by participating school districts, helps youngsters become curious about their environment and develop a respect for others.

NEW OFFICERS — Greg Barker, president-elect, Stan Mourning, secretary-treasurer, and John Kelso, president, will be the new officers of the Spring Valley Rotary Club, for the 1972-73 term. Details on the installation program will be upcoming, according to Kelso.

Grossmont College Plans School Finance Programs

Mysteries surrounding the financing of public schools will be explored during a series of programs presented by Grossmont College's Office of Community Services.

The series titled "Financing Your Public Schools in California," will open at 7:30 p.m., May 4, in the Community Room at Sears, El Cajon, when "Financing Elementary and Junior High Schools" is explored by Robert L. Jones, assistant superintendent of schools, Santee School District.

"Financing High Schools," will be discussed May 11, when Dr. Austin Sellery, superintendent and Lewis Holtman, assistant superintendent of business, of the Grossmont Union High School District, share the podium.

Francis C. Darby, assistant superintendent and Bernard E. Howerton, coordinator for business field services, of the San Diego County Schools, will present the program May 18, titled, "School Financing Functions of the County Superintendent of Schools Office."

"Financing the Community College," will be discussed May 25 by Dr. Robert N. Burnham, superintendent and William Burns, assistant superintendent for business, of the Grossmont Community College District.

"School Financing Functions of the State Department of Education," will be the evening's topic for the final program June 1, when M. B. Sloss, chief of the Bureau of Administrative Services for the State Department of Education speaks.

Band Units Earn Honors At Festival

Three units of the Mt. Miguel Instrumental Music Department participated in the SCSBOA Regional High School Festival at Citrus College in Azusa, California, last weekend:

The Cadet Band received ratings of excellence in their rendition of "Essay for Band", "Joyant Narrative" and "Prelude and March".

The Symphonic Band performed "Fantasies on a Theme of Haydn" and "Incantation and Dance" and received rating of Superior.

The Wind Ensemble received ratings of Superior for their renditions of "Proclamations" and "Symphony No. 5 Finale".

Following the festival, band members went by bus to Pasadena High School where they were treated to a pot luck supper prepared by the members of the Pasadena Choir and their parents.

Later that evening, the Miguel Instrumental Department put on a concert in the Pasadena High School Auditorium for members of the community. Following the concert, the Miguel musicians were housed overnight by the Pasadena Choir.

Sunday morning, the members of the band met at Pasadena High School to board buses for a day at Disneyland.

Historical Society Sets Meeting Wednesday

The regular meeting of the Spring Valley Historical Society, will be Wednesday, May 3, at 7:30 p.m., in the caretaker's home, Memory In., just off Bancroft dr.

The public is invited, according to vice president Mrs. William Fitzpatrick, who will be telling about a tourmaline mine, she and her husband have an interest in.

Mrs. Phillips said the Society has plans for another rummage sale, early in August, and requests all persons to contribute good used articles to the sale, for the benefit of the building restoration.

Ray Milland has made 165 movies.

Women Voters Set Welfare Program

"How much do you know about local welfare? How many people in our area receive welfare? Why?"

The Grossmont-Cajon Valley League of Women Voters will discuss the structure of the local to federal welfare system at its next round of unit meetings.

The League is a non-partisan organization which seeks to inform citizens in governmental matters so that they may participate and vote with better understanding. All women of voting age are invited to attend meetings as guests. Meetings are April 25, 9:30 a.m. in the home of Mrs. Earl Black, 730 Pelican way, El Cajon; April 26, 9:30 a.m. in the home of Mrs. Thomas Atchison, 10951 Explorer rd., La Mesa, and at 7:30 p.m. in the home of Mrs. Helen Longnan, 1181 Jamacha rd., El Cajon.

The April 27 unit meeting will be at the home of Mrs. Everett Ireland, 6221 Lake Athabaska pl., San Diego.

College's Yearly 'Pleasure Faire' Scheduled For May 4 Opening

Grossmont College's Second Annual Pleasure Faire will be held on campus May 4, 5, 6, and 7 from 11 a.m. to 7 p.m. daily.

The purpose of the fair is to bring students and community residents together in the spirit of the Renaissance. An aesthetic, humanistic atmosphere will prevail.

The Pleasure Faire will include a Festival of the Arts featuring leather-works, ceramics, candle-making, stitchery, cobblers, and other handicrafts for sale by the local artisans who made them.

Music of Elizabethan England will be performed by the Old Globe Madrigal Singers under the direction of Diana Aguirre; the Collegium Musicum of the University of California at Riverside under the direction of Professor Frederick K. Gable; the University of California at San Diego Madrigal Singers directed by Dr. Michael Mullen; the Palomar College Chamber Singers with Joe Stanford directing; the Silvergate Consort, under the direction of Diana Aguirre; the Paseo del Ocassionals with Dr. Ralph Lewin directing; the Clairemont High School Madrigal Singers under the direction of John Gilliland; and the El Capitan High Brass Ensemble directed by R. Ted Bietz.

Grossmont College's Drama Department, under the direction of Clark Mires, will present the play, "Ralph Roister-Doister", as well as a sequence from "A Midsummer Night's Dream". Patrick Henry High School will re-enact a scene from "Romeo and Juliet".

The Dance Department at Grossmont College will be performing folk dances from around the world under the direction of Lolita Carter and Marsha Tester. Denise Willits will be directing a court ballet dance. A May pole is also planned for Pleasure Faire visitors.

Other festivities scheduled include a queen's procession with her royal court, games of the Renaissance period, such as archery, a log roll, hay pitch, demonstrations of traditional games of England, Scotland and Ireland, folk dancing, fencing, tumbling, and a Scottish Highland dance performed by Margo Milligan and her group.

Campus clubs will sell homemade natural foods including meats, cheeses, breads, fruits, soup, rice pilaf, cakes, tarts, cider and spiced tea.

Interested students will explore subjects related to the faire's theme in academic projects under the direction of college faculty members.

The Society for Creative Anachronism will be represented by 3 of its baronies: the Barony of Calafia, the Barony of the Terra and the Barony of the Angels.

Deacon Jones To Highlight Award Dinner

Deacon Jones, veteran pro football star recently acquired by the San Diego Chargers, will be the featured speaker for Junior Achievement's 22nd annual Future Unlimited awards banquet next Saturday at the Town and Country Convention Center, it was announced.

The event will recognize the 450 teenage members of Junior Achievement in San Diego who have formed and operated their own companies during the past year.

With initial financial help and continued counseling of volunteer management from local firms, the students have been able to gain experience in all phases of business activity, including management, personnel, production and sales.

Local Student Claims SDG&E Scholarship

Robert M. Luscher, a straight "A" student at Mt Miguel High School, has been named winner of the San Diego Gas & Electric Company's 1972 annual college scholarship for children of employees.

Luscher, son of Mr. and Mrs. Joseph R. Luscher, 1633 Madera st., Lemon Grove, has been accepted for admission to the University of California at San Diego next fall.

The San Diego Gas & Electric Company award of $750 is renewable each year for a total of four years if the recipient maintains satisfactory scholarship standing.

Luscher has maintained a 4.0 grade average through four years of study, predominately in honors and college preparatory courses, and ranks No. one in his class of 719 students.

He is a life member and gold scalbearer of the California Scholarship Federation. He has won numerous merit awards and certificates of commendation. Last year, he won the Harvard Book Award, which each year goes to the outstanding scholar in the junior class.

Garden Section Lunch Scheduled For May 2

The Garden Section of the Lemon Grove Woman's Club will close the year May 2 with a pot-luck luncheon at noon in the clubhouse, 2810 Main st., Lemon Grove.

A business meeting will follow, with Mrs. Henry Davis presiding.

The new Garden Section chairman, Mrs. C. B. Goldthrope and secretary, Mrs. Paul Hockenbury will be introduced and will conduct the last half of the business meeting, giving plans for next year, when the club starts activities again in September.

Nearly four million students are attending colleges.

CANDIDATE — Harriet Lewis, of 9425 Barbic In., Spring Valley, is one of several girls from throughout the county who will vie for the title of "Miss Custom Built" at the Rod-Custom Car and Motorcycle Show to be held at the San Diego Community Concourse April 28-39. The winner of the beauty pageant will be announced Sunday evening.

PTA HILITES

Al Larsen Given PTA Honorary Life Award

The Helix High School PTSA honored Al Larsen, a teacher, by presenting him with the PTA Honorary Life Service Award last week.

Larsen is known especially for his warm understanding, intuitive way with young people, and his efforts in seeking innovative teaching methods, according to his citation.

Larsen was born in Honeycreek, Iowa in 1922, the oldest of five children. He and his wife Naida have been married 26 years and have two daughters, Sharon, age 25, and Mary, 23.

Al Larsen

Larsen retired from the Navy in 1964 and returned to school to get his teaching degree from San Diego State in 1966, the same year his daughter Mary, graduated from Helix. He also found time to teach Sunday School for a number of years at Lemon Grove Lutheran Church.

Larsen began teaching at Helix in 1967 and is presently head of the English Department and also chairman of the English Council of the eight high schools in the Grssmont District. He works on a number of school committees, such as Curriculum Improvement and is faculty advisor of the school Key Club.

The Helix PTSA has just completed it's first year as a Parent-Teacher-Student Association. The PTA Honorary Life Service Award gives special recognition to selected individuals who have given outstanding service to children and youth.

For each of the awards, money is contributed by PTA to a revolving fund to assist students in various fields of education beyond high school. Total involvement by PTA in helping the young people of California with loans, scholarships and fellowships has been $4,491,964, since 1925.

Mt. Vernon

Reading and math certificates were presented to students of Mt. Vernon Elementary School at a special assembly last week.

The certificates were issued by the respective teachers for the most progress made in reading and math, according to Francine Applebee, Mt. Vernon PTA teacher representative and a sixth grade instructor at the school.

Mrs. Bernard McNulty will be installed for a second term as chairman of the Vogue Section of the Lemon Grove Woman's Club May 22, at 8 p.m. in the clubhouse, 2810 Main st., Lemon Grove.

Mrs. McNulty

Mrs. McNulty also served as Junior President of the Lemon Grove Club during the 1964-65 term.

"Bring In The New" has been chosen for the evening's theme, during which Mmes. P. N. Pantazoplus, first vice chairman; Clyde West, second vice chairman; M. M. Connolly, third vice chairman; Harold Hatton, recording secretary; Sam M. Hagen, corresponding secretary, and Christine Bentley, treasurer, will be installed for the 1972-73 term.

Gourmet Dinner Planned By College Class

Grossmont College will present the first of its traditional spring semester Food Service Management gourmet dinners at 7 p.m., tonight when an international menu from the 1930's will be served in the Student Center.

The annual student project dinners, started in 1967 by Food Service Management Director, William R. Cheeseman, test the student's knowledge and skill in planning, preparing and serving a full course dinner for a large number of people. Beau Reifenrath will serve as student manager of the dinner. He will be assisted by other members of the Food Service Management class.

Hors d'oeuvres from around the world with cranberry juice cocktails and ginger ale punch will be served in the Faculty Dining Room commencing at 6:15 p.m. The international gourmet dinner will feature prime ribs of beef au jus with French green peas, sauted mushrooms, Duchess potatoes and a garden salad with French dressing. Apple tarts will top off the evening's sumptuous fare.

Music instructor Charles W. MacLeod will conduct the college stage band as they play music of the 30's for dancing prior to the dinner. The stage band will also provide appropriate dinner music during the meal.

The second student project dinner will be served May 11 when a Hawaiian Luau Buffet, complete with exotic Hawaiian dancers and music, is featured.

A donation of $4 per guest will reserve a place at the gourmet dinners. All money donated for the dinners will be placed in a Food Service Management Scholarship Fund.

R.N. Nominations Due

The "R.N. of the Year" contest, sponsored by the La Mesa Junior Woman's Club, is to bring public recognition to the nursing profession and to its members.

All California Registered Nurses residing in San Diego County are eligible. Nominations for the honor must be submitted by April 30 to: Mrs. Karl Lovas, 2712 Bonita st., Lemon Grove. Applications are available at the local hospitals.

Pro Football Clinics For High School Athletes

A free pro football clinic featuring Charger players will be held at San Diego State College, June 19-23.

Sponsored by the San Diego Chevrolet dealers, the clinic is open to high school players in San Diego County. Two sessions will be held each day, from 1 to 3:30 and from 4:30 to 7. Participants will be charged $5 to cover registration and insurance. The full range of football positions will be covered.

Charger players on the staff are Marty Domres, quarterback; Jeff Queen, running back; Gary Garrison and Dave Williams, receivers; Terry Owens, offensive line; Steve DeLong, defensive line; Bob Babich, linebacker, and Bobby Howard, defensive back. The pros will be assisted by current college stars.

The clinic is under the supervision of Pro Technique of Irvine. Rod Sherman, receiver for the Oakland Raiders, is president of the company.

"We hope to give the high school player the opportunity to become acquainted with the pro player and learn from him what it takes to become a first class athlete," the former USC star said. "The clinic also gives the pro player experience in coaching and influencing young people."

Information may be obtained from high school football coaches Pro Technique, Box 4486, Irvine, CA. 92664.

Chargers Face Rugged Schedule Pre-Season Opener on Aug. 5

Welcome to the American Football Conference!

To such old-line National Football League men as San Diego Charger head coach Harland Svare and assistants Bob Schnelker, Willie Wood and Forrest Gregg, NFL Commissioner Pete Rozelle has sent his greetings in an envelope.

It contained the 1972 league schedule for the Chargers. It reads like a who's-who in the NFL. Among San Diego opponents are six of the eight teams which finished in the playoffs in 1971.

Svare is undaunted. "It's a very difficult schedule, challenging for the players, demanding for the coaches and exciting for the fans," said the new Charger boss.

"I feel that the tougher you have it, the more you get up in the bit and respond. We're driving hard right now to get people here who can play this type of competition."

In keeping with the new look on the Chargers, the season begins with San Diego's first road opener since 1962. The Chargers face the San Francisco 49ers at Candlestick Park on Sept. 17. However, pre-season starts Aug. 5 in San Diego against the Atlanta Falcons.

San Diego makes its league home debut against AFC West rival Denver Broncos and their head coach, John Ralston, at San Diego Stadium on Sept. 24.

San Diego then has three attractive home games starting with the Kansas City Chiefs on Oct. 29. Super Bowl champion Dallas invades San Diego Stadium on Nov. 5 in a game which marks the return of former Charger star Lance Alworth. Cleveland Browns, with last year's San Diego State quarterback Brian Sipe, will be the foe on Monday night, Nov. 13, in a nationally-televised ABC game.

Season tickets for Charger games, available in 11-game full season or 7-game league season packages, now are on sale at San Diego Stadium Gate E.

The 1972 schedule:

Aug. 5 Atlanta Falcons, here
Aug. 12 at Minnesota Vikings
Aug. 19 San Francisco 49ers, here
Aug. 26 at New Orleans Saints
Sept. 2 Los Angeles Rams, here

Junior Golf Tourney Named For Lyle Bond

Television sportscaster Lyle Bond, who died April 14 will have a junior golf tournament named after him, John Brown, San Diego County Junior Golf Association president, told Sportscasters/Sportswriters Assn. Monday.

The first annual Lyle Bond Junior Golf Championships will be held June 26 at Singing Hills Golf Club.

"We think it is most appropriate. Lyle was a long-time friend of junior golf. The association is pleased to honor him in this way," Brown said.

He stressed the fact that the tournament would be open to all junior golfers in the county, both boys and girls. Of course, they must be members of the JGA.

The Lyle Bond tournament will be one of 22 JGA events scheduled this year throughout the county for the association's 700 members. Any boy or girl who does not belong to the JGA can easily join, Brown said.

Bond, who began his broadcasting career in 1943 at WCAR radio station in Pontiac, Mich., was sports director of KFMB-TV for 12 years, joining the local channel in 1960.

Voice of the San Diego Chargers for seven years, Lyle's sportscasting career hit its zenith in 1963 when he won the Golden Mike Award as the outstanding sports announced in Southern California.

Fashionettes, Orioles Win To Tie For First Place

The Len's of Lemon Grove Fashionettes and the Severin, Garzenelli and Stenbeck Orioles each won a pair of Lemon Grove Bobby Sox League games last week to tie for the league lead with 2-0 records.

The Fashionettes, with help from the Michael's House of Sight and Sound Quasarettes, took victory by a 17-6 count. The Quasarettes, although hitting with great frequency, bobbled the ball enough to make the game a lopsided one.

Lisa Cuadres hit a double for the winners, while Bonnie Carstensen, Joy Michael, Rhonda Sones, and Valerie Sones, all hit two-baggers for the Quasarettes.

The Orioles had a rougher time of things with their game against the Quota Club Midgets, but managed an 8-6 victory. Monica Rusconi carried the big bat in that game, belting a double and a triple to help win it for the Orioles.

Other major league games saw the Shaklee Products Nibblers fall to the Lemon Grove Lions Club Lionettes, 15-6 and the Southwest Leasing and Car Rental Lessees bounce the Lido's Pizza Spicers, 23-4.

In the Nibblers-Lionettes contest, Donna Waller and Monica Mendez aided the Lionettes cause, as Miss Waller belted a pair of doubles and Miss Mendez added a double and a single.

Maria Luna, swinging good wood for the Lessees, clouted two doubles to continue her hot hitting streak.

In the minor league, the Kiwanis Club Emeralds beat the Safeway Plumbing Pipers, 19-2, to tie for first place with the L.G. Chrysler-Plymouth Crickets, who also won, collecting a 23-11 decision from the A. O. Reed Air Conditioning Koolers.

In other minor league contests, it was the L.G. Orthodontics Smilers taking the Chula Vista Electric Chargers, 17-4, and the Thomas and Son Disposal Cougars over the Catholic Daughters Cherubs, 8-3.

Opening Day Set

The Valley de Oro Little League of Spring Valley will hold opening day ceremonies at the little league field located on the south side of Spring Valley Junior High School, Sunday.

Players will assemble on the field at 12:30 p.m. The program will start at 1 p.m. with colors presented by Cub Scout Pack No. 329.

Padres Offer Ticket Bargains

Special Padre season tickets for ladies, senior citizens and children are still available for the 1972 season.

Each ticket represents a substantial savings and provides for season-long entertainment.

Mt. Miguel Splits Two Loop Contests

By Paul Stark

Mount Miguel High School split two games last week in a 1-0 loss to Santana and a 3-1 victory over Granite Hills.

On Tuesday, an unearned run was the difference in the pitching battle between Steve Long and Santana's Pat Guziak, who are ranked second and fourth in the league in earned run average. Long has a 0.95 ERA and Guziak has a 1.08 ERA.

The Sultans' Tom Saska led off the inning with a walk and went to second on Dick Maizahn's sacrifice bunt Long then got a break when Saska, who was on third via a wild pitch, was caught off base on a ground ball to Phil Williamson by Henry Arviso.

Long then struck out Guziak for what seemed to be the last out but Mike Bruner couldn't hold onto the ball and Arviso went to second and Guziak was safe at first

John Huffman followed with Santana's first hit of the game, a line-shot single to center, and Arviso scored the only run of the game.

On Friday, the Matadors broke a 1-1 tie with Granite Hills in the sixth inning. Tim Miller led things off when he drew a one-out walk off Mike Ortega and made second base on Buster Ledesma's single. Phil Williamson then hit the first pitch by Eagle reliever Jeff Hester to deep center for a two-run double.

Ron Johnson provided the Eagles with their only run of the game with his booming homerun in the fourth inning over the left field fence.

Miguel will play its first night game of the season at Helix with Steve Long on the mound tomorrow at 7:30 p.m.

On Tuesday the Matadors will travel to meet the Monte Vista Monarchs with Terry Holum due to get the starting assignment at 3 p.m.

Monarchs Bump El Cajon Team

By Tom Blattler

The Monte Vista Monarch baseball squad, led by the hitting of Phil Kasl, crushed the El Cajon Braves, 13-5, last Friday at El Cajon's home field.

Kasl, who just came up from the junior varsity the week before, connected on four hits in five times at bat including a double and a homer, and drove in six runs. First baseman Rick Baker and shortstop Al Salazar each grabbed two hits.

The Braves were led in their hitting attack by shortstop Geno Suter, who collected two singles and scored a run.

Junior pitcher Dave Munoz got his second Grossmont League win of the season as he gave up three runs on just five hits, struck out two, and walked two.

The Monarchs will be facing the Granite Hills Eagles tomorrow at Monte Vista's home diamond starting at 3 p.m.

Duffers Clout Braves

The Monte Vista golf team, led by Scott Miller and Dave Watson, smashed the winless El Cajon Braves, 193-235, last Friday afternoon at Cottonwood Country Club.

Miller, a senior, and Watson, a freshman, each shot one-over-par 37's for the medalist honors. Tom Brant and Mike Wright were next for the Monarchs with 38 and 40 respectively.

El Cajon's top duffer was Chuck Makish with a 42, and Kirby Hills was next with a 43.

Opening Day Set Saturday

Opening day ceremonies for the Spring Valley Little League will be held Saturday at the little league field on Sweetwater lane.

The top candy-selling team will be presented a five-pound candy bar of solid chocolate at the ceremonies, after which all teams will play exhibition games. Regular season games start Monday.

* * *

The league's woman's auxiliary will sponsor a trip to the "Let's Make a Deal" TV show May 11. The bus trip is open to the public, and tickets will be $8 per person. The bus will leave the Spring Valley Shopping Center at 9 a.m. May 11. For further details, call 479-9157 or 479-3201.

* * *

Uniform presentation was held last Saturday and all of the league's officers for the current year were introduced and teams were on hand to receive their uniforms.

Nelson Harrod, of Kendallville, Ind., was fined a total of $30 for violating the city's vehicle inspection law. The judge was his wife.

All-Star Hoop Game On Tap

The Breitbard Athletic Foundation will sponsor its fifth annual College-Prep All-Star Basketball Classic, matching the top 12 graduated seniors from the San Diego County high schools against a like number of San Diego city high school stars, will be played this year on Wednesday night, August 2, at San Diego State's Peterson Gym.

All net proceeds from the game will go to the San Diego Hall of Champions Sports Museum in Balboa Park.

The annual City vs. County all-star clash will be preceded by the finals of the Pepsi-Cola High School Summer League play-offs.

The previous All-Star teams have divided the first four classics, two games apiece. The City All-Stars won the first game, and the last, last summer. The County teams won in 1969 and 1970.

Nine Candidates Named For Vaunted Golden Jock Award

Nine of San Diego's leading sports personalities have been nominated for the 1972 Golden Jock Award.

Presentation of the award will be the highlight of the annual "roasting" banquet of the Sportscasters / Sportswriters Assn. (SSA) of San Diego. It will be held at the Kona Kai Club on May 18.

Nominees, listed alphabetically, are:

Buzzie Bavasi, San Diego Padres; Bob Breitbard, San Diego Gulls; Peter Graham, Sports Arena; Dr. Ken Karr, San Diego State University; Gene Klein, San Diego Chargers; Marvin Kratter, unattached; Harry Ornest, Sports Arena; David Pain, San Diego Track and Field Club; Harland Svare, San Diego Chargers.

SSA president Al Couppee called the candidates, "The finest and most deserving collection we ever had. Each man will receive fair and impartial treatment in his endeavor to win this most coveted award."

Winner is selected by voting of SSA members.

Previous Golden Jock Award winners were Sid Gillman of the Chargers in 1970 and Alex Hannum of the Rockets in 1971.

Tickets for the banquet, priced at $25, can be purchased at the Kona Kai Club, at the office of the Lemon Grove Review, 7834 Lester ave., Lemon Grove, or from SSA members.

For additional information, call Pat Rogers at the Chargers office, 280-2111.

Aztecs Go Independent; Boosters to Raise $200,000

San Diego State announced its football "independence" this week.

Acting President Dr. Donald Walker informed the Pacific Coast Athletic Association that the Aztecs would operate in the future on an independent basis.

That means that Don Coryell may meet more prestigious teams — teams of Pacific 8, Big 8, Southwest Conference and Southeast Conference and hopefully, USC or UCLA.

To bolster the new development, the Aztec Club, civic booster organization which supports athletic programs at San Diego State, is shooting for a goal of $200,000 in its annual membership drive.

The 1972 drive starts next Monday under the chairmanship of Gary Garrison, San Diego Charger wide receiver and one-time Aztec football great.

Plans for the drive were announced at the Sportscasters/Sportswriters weekly meeting Monday by Aztec Club president Joseph Payson. Payson is a Lemon Grove business man. The drive's theme is "full community support now!"

The $200,000 target compares with $105,000 raised last year. Dr. Ken Karr, Aztec athletic director cited the "need for more scholarships as the Aztecs move toward eventual membership in the Pacific Eight."

Big Bong is Bust

The ship's bell high on the wall in right center field at San Diego Stadium is rung vigorously after a Padres batter belts a home run — but it is in vain.

Even with as few as 5,000 fans in the stands, the bell can't be heard in the grandstand. Either the fans are too vociferous or the bell's gong is too mild.

The 1,000-pound bell is off the Navy's heavy cruiser "USS San Diego" and is on loan to the Padres by the Naval Training Center.

The bronze bell is 24 inches high with a 24-inch diameter.

Air pollution is not a new problem. England passed a pollution law in 1273.

LAW WEEK, April 24 - May 1, is touted by Harry Scheidle, left, chairman of the County of San Diego Board of Supervisors, Attorney James Malkus, Law Week committeeman, and Robert G. Steiner, 1972 Bar President. The County Board of Supervisors urged all citizens to especially recognize this week that laws and courts exist to protect every citizen in the rights and privileges he enjoys under the Federal and State Constitutions.

Bill Clements Fete To Be $25 a Plate

San Diego County Fifth District Supervisor William Craven will give the keynote address Saturday May 6th at a fund-raising dinner for Bill Clements.

Clements is one of 12 candidates in a contest for Henry Boney's second district post. Boney is not seeking re-election.

The $25-a-plate dinner will be at Carlton Oaks Country Club in Santee at 8 p.m. following a cocktail hour.

Craven, who is not up for election this year, said "Clements is my idea of a people's candidate. He's served people for 25 years."

"With men like Bill Craven in my corner, I don't worry about the fancy Dans and dudes running against me," Clements said. "Bill's always the people's choice. I hope I will be, too."

Harold Beard is committee chairman.

New Signal Due At Sweetwater-Broadway

Safer left turns off Sweetwater road onto Broadway should result from the installation of a new traffic signal authorized by the Board of Supervisors April 11.

Supervisors awarded a $7,993.40 contract to Arrow Electric of Lemon Grove to install the signal at the dangerous intersection.

Supervisor Henry Boney said the project is being accelerated because of heavy traffic and frequent accidents at the intersection. He said the contractor is to begin work early next month and be finished in about 60 days.

Boney said federal funds will pay the rest from its share of gasoline tax.

Hutchison, Ned's Top Sky-Grove Pony Race

Hutchison Roofing Company won both its games last week to tie for first place with Ned's Outboard, which also won a pair of contests, in Sky-Grove Pony League play.

Hutchison bats boomed in the first game with Murphy Plumbing, knocking the plumbers, 14-0. The roofers came back in the second game to blast the plumbers again, 12-1.

Ned's Outboard had little trouble winning two affairs, ripping Lido's Italian Foods, 6-0 and 8-3. In the only other game of the week, L.G. Lion's Club nipped Ebco Steel, 6-5.

On the week, Earl Ritchey, tossing for Ned's, twirled a one-hitter over Lido's giving up only a home run to Kevin Stafford. Robert Bryan mowed down Murphy Plumbing on one hit, a homer to John Tiumalu. Dave Taluban tossed a one-hitter at Murphy, giving up just one single.

Youth Center Plans Cleanup For Saturday

Members of the Lemon Grove Youth Center will participate in a trash cleanup along the railroad tracks which run through the community Saturday.

The youngsters feel that by helping to beautify the community, they are showing their appreciation to all the Lemon Grove residents who have helped support the Center.

The cleanup suggestion was offered by Fire Chief Hensley, of the Lemon Grove Fire Dept. The Slagile Corporation has donated a truck to be used in hauling trash away.

Rummage Sale Set

The Ladies Auxiliary of the Lemon Grove Fire Department will sponsor a rummage sale May 5 and 6 from 7 a.m. to 5 p.m.

All proceeds from the event will go to the Madison Avenue Orthopedic Center to help handicapped children.

Chairman of the sale is Silvana Marcon. The sale will be held at her home, 7926 Longdale, Lemon Grove, both days.

Lions to Hear Lawyer

Dennis Adams, an El Cajon attorney, will provide the program tonight for the regular weekly dinner meeting of the Lemon Grove Lions club.

The 7 p.m. meeting is at the Ox Bow Inn, 9816 Campo rd., Casa de Oro. Forrest Baxter is program chairman.

Happier Days Are Here For Youth Center Kids

Happier things are beginning to happen at the Lemon Grove Youth Center.

Encouraged by people who are starting to show an interest in the activities at the facility on School lane, Dale Woods, the director, has set up two events for the coming weeks.

The first is a clean-up of the plaza. About 25 youngsters who frequent the Center will pick and clean the plaza from North to Central avenues. "The kids want to show their appreciation for the community's interest," Woods said.

Woods also noted that not all the youngsters are troubled as this column reported earlier. "Some are," he said. "The operation of the Center is important because it provides an option for those who have difficulty finding their way as they reach adulthood. The Center simply provides an option for them. Some guidance is better than none," he said.

The other event is to be a field trip. A trip to the desert is planned. "Each youngster will pay his own way," he said. "We hope we can keep the cost down to $2 a person but so far we haven't found a bus rate that low."

Meanwhile, Woods' arm is healing. He suffered broken bones when his motorcycle hit an unlighted center island recently. He said he would be on the plaza trash line Saturday.

Part of the interest in the Center was generated by this newspaper, and a circulation campaign it developed with part of the proceeds going to the Center. But mostly, it was to attract attention to the activities there.

Those who said this week that they would subscribe include this new list of 26 families:

Kelly Slaps Pols For Sign Abuse

Pat Kelly, candidate for Supervisor in the Second District, charged some of his opponents, who are using "free-standing" campaign signs, with "disregard for the laws of our County."

"Both the County of San Diego and the State of California informed all candidates for elective office this year that free-standing signs are illegal," stated Kelly.

"What concerns me most is the fact that some candidates — who pledge to uphold the laws and ordinances that govern us — would violate the regulations regarding sign placement," Kelly continued.

"I wonder if the people can trust many of these other candidates to follow the laws that they are to uphold, since they have already broken some of them."

Summertime Jobs Sought for Youth

A summertime employment program for eligible area youths is being sponsored by the National Alliance of Businessmen working jointly with city and county government agencies.

Under a formal program called Youth Employment Summertime (YES), some 125 local business executives will be on loan to lend support for a "blitz" campaign to assure sufficient job openings starting May 15.

The jobs solicited will be made available for in-school youths between the ages of 16 and 21 whose economic conditions within the home are classified as disadvantaged.

Solicitation letters will be mailed to area businesses prior to a telephonic campaign. Volunteers will man telephones during the week-long drive for jobs.

Trustees Opposed To Unification Proposal

Continued from Page 1

The program is mainly funded by state money.

Paul Reynolds, assistant superintendent for business, reported to trustees on the Imperial-80 project, and presented a letter the district received from the Pacific Bay Development Company.

The Pacific Bay Development Company is seeking to construct a 142-unit planned residential development on 27.35 acres of land in San Diego, but the property lies largely within the boundaries of the district.

Reynolds cited figures in the letter sent by developers which implied that the district would experience an increase of only 12.5 students per year as a result of the development. Trustees agreed that the figure would be closer to 100 students.

GRAND OPENING — Bill Sumner, left, candidate for supervisor, discusses headquarters public opening with Charles E. Brown of Santee, Tony O'Donnell, field & research director and Dan Daly, headquarters manager. Headquarters, which opens Saturday, is at the corner of Spring and Lemon streets in La Mesa and will be open daily. Refreshments will be served 3-6 p.m. Saturday.

Goals Adopted By Executive Committee

Continued from Page 1

and providing safety in access to schools.

Although there is no immediate need for new school construction, the adopted goal of a 30,000 population figure for the area by 1990 indicates a future need of one or more schools.

Public Facilities

The public facilities subcommittee adopted goals which include the undergrounding of overhead utility lines where feasible and in the public's best interest, expanded library facilities, improved and increased parking and lighting, expanded trash service, the establishment of a community center suitable for community-wide meetings, and the encouragement of supervised youth activities.

Additionally, the subcommittee recommended requiring developers to provide sewer and water extensions, streets and sidewalks, and other needed facilities when developing within the planning area, whenever possible.

Parks and Recreation

The parks and recreation subcommittee recommended as a priority the establishment of a parks and recreation district, which through a minimum tax, could provide parks and recreational activities for the community.

Additionally, the subcommittee presented the establishment of cycle and horse trails, support for the Lemon Grove Youth Center on a community-wide basis, acquiring sites for parks and "mini-parks" or green areas, and promotions of activities for all age groups as goals.

The transportation subcommittee called the establishment of sidewalks on at least one side of the street a major goal. Other goals include the establishment of cycle, horse, and walking trails, leaving Lemon Grove open as the site for a possible experimental mass transit program, and the possible construction of a heliport.

Commercial goals list the renovation of businesses for an orderly growth and balance with residential areas as a priority item, as well as eliminating the patchwork of unlike and dissimilar businesses.

The subcommittee also called for architecturally controlled business districts, sign controls, upgrading the appearances of existing businesses, more ease of access to businesses, the prevention of new businesses and industries which are not combatible to the area, and the restriction of industry-caused emissions of noxious odors, noise, fumes, and water pollutants.

Health and Social Service

Leading the list of health and social services goals is the provision of adequate and necessary health care to all residents of Lemon Grove. An emergency clinic would also be set up under goals, as well as a community based counseling center and a general hospital.

A complete list of goals of each subcommittee will be available at the meeting this afternoon, or may be obtained at the Chamber of Commerce office.

Free Concert Greets New $30,000 Organ

An organ concert, open to the public without charge, will flag the arrival of a $30,000 Rodgers organ at Southland Music Center Friday, at 8 p.m.

The Center, at 3459 Imperial ave., Lemon Grove, has its own theatre seating 300 and the concert will be given there.

Organist will be co-owner of the Center Jim Hansen who has been hailed as one of San Diego's most brilliant young musicians. The other owner is Tommy Stark, also recognized as one of San Diego's best professional organists.

The new organ contains 399 silicon oscillators and uses space-age circuitry, Hansen said.

Reservations for the concert may be made by calling 463-0308.

L.G. Women To Meet

The Lemon Grove Woman's Club will meet at the clubhouse, 2810 Main st., Lemon Grove, Friday at 1:30 p.m.

Following the meeting, members will be entertained by the Vogues, Evening Section. Tea will be served by hostesses: Mmes. Coleman, Rettke and Patterson.

'Love' to be Staged

Love! is the greatest, according to the acclamations for the performance of Otis Skillings' Christian musical, "Love", Sunday at 5:30 and 7:30 p.m., and Monday, at 7:30 p.m. in the Skyline Wesleyan Church.

Skillings, music director at Skyline, will direct the 50 member high school ensemble, the Young World Singers, accompanied by a band.

Sunday morning, will find Skyline Wesleyan listening to outstanding speaker Dr. Kenneth Linlaw, president of Asbury College of Wilmore, Kentucky.

L.G. Parks To Be Topic At Meeting

One of the Lemon Grove community's major goals is to acquire land for use as parks and green areas, as well as a swimming pool for community-wide use.

How the town will achieve the goal will be the topic for discussion at this afternoon's meeting of the Lemon Grove Planning Association executive committee at 3 p.m. in the Golden Avenue School auditorium.

Planning Association chairman James Dorman announced Wednesday afternoon that either Ed Swanson or Ed Moses, of the County Public Works Agency, will be the speaker at the meeting.

Lemon Grove presently has 17 acres of park and recreation space, a figure that is far below county standards, according to Dorman. The county recommends five acres of parks for each 1,000 population, he said, which means that Lemon Grove is 113 acres short for its 26,000 population.

The public is invited and encouraged to attend the meeting, Dorman said.

Real Estate Firm To Share Profits With Salespeople

It was like Christmas morning at the real estate firm of Severin, Garzenelli and Stenbeck, at 8100 Broadway in Lemon Grove.

First, President John Stenbeck announced that the firm sold more than 180 properties valued at $4,500,000 during the first quarter of 1972 — an increase of more than 20 per cent over the same period a year before.

Then he honored two of the firms salesmen: William V. Trask and Howard E. Martin who were top salesmen as the firm racked up 600 sales involving more than $12,000,000 last year. Finally, he announced a profit sharing plan in which salesmen and staff of the firm would share in profits retroactive to the first of the year.

The program will be handled by the S.D. Trust and Savings through their new office at Broadway and Massachusetts.

A unique feature of the program, Stenbeck said, is that the salestaff will deposit and control their own funds.

quate maximum voted operating tax during its initial period of operation. This maximum voted operating tax rate will be effective for an indefinte period of time.

The required comparison of average teacher salaries paid in the high school district with elementary district salaries is a gross method of guaranteeing sufficient local taxing capacity for the unified school district. A study conducted by County Department of Education staff which placed elementary teachers on the high school salary schedule, shows lower costs than the required comparison method of utilizing average teacher salaries paid.

Set Clocks Ahead

Lemon Grove residents this week were reminded that Daylight Savings Time will be in effect next week, which means that one hour of sleep will be lost Saturday night.

To be sure to make it to church on time, set the clock an hour ahead before retiring Saturday evening. Daylight Savings Time officially starts at 2 a.m. April 30.
